

Admissions Policy

In order to apply for admission into the Sports Medicine Concentration, a student must:

1. Have a cumulative GPA of 3.0 or higher with sophomore standing. Transfer students must complete one semester at Radford prior to admission.
2. Pass the following courses with a "B" or better:
 - BIOL 105, Biology for Health Science or CHEM 101, General Chemistry: Transfer equivalents and /or courses that can be used as Radford University approved substitutions, will be considered on a case by case basis.
 - BIOL 310 or 322, Human Structures and Function
3. Program Retention: Students must maintain a 3.0 GPA or higher to be retained in the program. Those who fall below a 3.0 for one semester can be removed from the concentration. Only those who show extreme hardship causing the decline in GPA will be retained. This decision will be made by the concentration faculty and the department chair. Those that drop below a 3.0 for two consecutive semesters will be removed from the concentration regardless of circumstances.
4. Application Procedure: Students must meet the standards for admission and turn in a completed application before taking ATTR 323 Assessment of Athletic Injuries One-Extremities. The application for admission can be obtained in the ESHE department business office.
