Education:

- 2009 D-ABFA (Diplomate, American Board of Forensic Anthropology)
- 1988 Ph.D. Anthropology, University of Tennessee, Knoxville.
Dissertation title: "A Functional Model for Masticatory-Related Mandibular, Dental, and Craniofacial Microevolutionary Change Derived From a Selected Southeastern Indian Skeletal Temporal Series"
- 1984 M.A. Anthropology, University of Tennessee, Knoxville.
Thesis title: "A Biological Investigation of Skeletal Remains From the Mouse Creek Phase and a Comparison with Two Late Mississippian Skeletal Populations from Middle and East Tennessee"
- 1981 B.A. Anthropology, University of Tennessee, Knoxville (magna cum laude--high honors)

Major Fields of Interest (see "Laboratory Work/Research" section for more detailed summary of current research):

Forensic Anthropology; Forensic Science; Pediatric Antemortem and Perimortem Trauma; Microscopic Characterization of Trauma in the Perimortem to Postmortem Transition; Human Osteology; Juvenile Osteology; Skeletal Biology; Southeastern Archaeology

Appointments:

- 2013-present Professor of Biomedical Science, Virginia Tech Carilion School of Medicine
- 2007-present Co-Director, Radford University Forensic Science (3/4 Administrative/ Professional Faculty)
- 2007-present Member, DMORT (Disaster Mortuary Operational Response Team) Region III, U. S. Department of Health and Human Services (NDMS)
- 2006-present Eminent Professor of Anthropological Sciences, College of Science and Technology, Radford University (1/4 Teaching/Research Faculty)

- 2001-present Research Associate, Virginia Museum of Natural History, Martinsville, VA
- 1999-present Consultant, Virginia State Office of the Chief Medical Examiner, Western District, Roanoke VA
- 2010-2012 Head, Department of Anthropological Sciences, Radford University
- 2007-2010 Squad Leader, DMORT (Disaster Mortuary Operational Response Team) Region III, U. S. Department of Health and Human Services, (NDMS)
- 2001-2006 Professor, Department of Sociology/Anthropology, Radford University
- 2000(summer) Acting Chair, Department of Sociology/Anthropology, Radford University, Radford VA
- 1995-2001 Associate Professor, Department of Sociology/Anthropology, Radford University, Radford VA
- 1989-1995 Assistant Professor, Department of Sociology/Anthropology, Radford University, Radford VA
- 1986-1987 Instructor, University of Tennessee, Knoxville TN
- 1984-1986 Graduate Teaching Assistant, University of Tennessee, Knoxville TN

Professional Organizations:

American Academy of Forensic Sciences: Fellow 2010-present; Member 2000-2009
 American Association of Physical Anthropologists
 Scientific Working Group for Anthropology (SWGANTH)
 Sigma Xi Scientific Research Society of North America
 Southeastern Archaeological Conference
 Council of Virginia Archaeologists
 Lambda Alpha Anthropology Honor Society
 Virginia Academy of Sciences
 Archeological Society of Virginia

Expert Testimony:

- 2015 Commonwealth of Virginia vs. Jessica Hodges Turner
 Franklin County Circuit Court, 07/25/2016
- 2015 Commonwealth of Virginia vs. Benjamin Allen Turner
 Franklin County Circuit Court, 07/25/2016

2014 Commonwealth of Virginia vs. Matthew Steven Jones
Grayson County Circuit Court, 11/20/2014

2011 Commonwealth of Virginia vs. Morgan Lockett
Roanoke County Circuit Court, 10/14/2011

Editorial Positions:

1992- present Annual Reviews in Physical Anthropology, Dushkin Publishing Group
(Advisory Board)

1986-1988 Coeditor, Anthropology Newsletter, University of Tennessee, Knoxville

Teaching Experience:

1989- present Radford University:
Anthropology 120—Introduction to Physical Anthropology
Anthropology 120H—Physical Anthropology Honors
Anthropology 121—Cultural Anthropology
Anthropology 222—Introduction to Archaeology
Anthropology 210—Introduction to Forensic Anthropology*
Anthropology 211—Forensic Archaeology
Anthropology 320—Human Osteology*
Anthropology 330—Primate Studies*
Anthropology 410—Human Origins*
Anthropology 420—Advanced Forensic Anthropology*
Anthropology 497—Senior Seminar*
Anthropology 495—Current Trends and Issues in Biological Anthropology*
Forensic Science 201—Innovations in Forensic Science*
Forensic Science 401—Advanced Forensic Science Research*
Interdisciplinary Studies 198, 199: Studies in Science, Social Science, and
Humanities*

Note: those classes starred (*) represent ones developed by D. Boyd

2014-2015 Instructor, Virginia STEAM Academy (summer session on Forensic Science,
Forensic Anthropology, and Forensic Archaeology—1 week)

2013-present Laboratory Instructor, Virginia Tech Carilion School of Medicine—Osteology
and Anatomy labs

2010-13 Instructor, National Institute of Justice: “Mid-Atlantic/Mid-Appalachian
Innovations in Forensic Science”

- 2008-present Instructor, Radford University Summer Bridge STEM program for high school girls (summer session on Forensic Science, Forensic Anthropology, and Forensic Archaeology—1 week)
- 2003–present Instructor in the Virginia Dept. of Forensic Science Forensic Academy (Richmond, biannually) (Forensic Anthropology and Forensic Archaeology)
- 2006-2007 Recognized by Carnegie/CASE as U. S. Professor of the Year
- 2006 SCHEV (State Council for Higher Education of Virginia) Outstanding Faculty Award
- 1989 Co-instructor, Tennessee Governor’s School for Tennessee Studies, Archaeology Project Group, East Tennessee State University (summer)
- 1987 University of Tennessee: Anthropology 2510--Human Origins
Anthropology 2530--Human Cultures
- 1984-1986 University of Tennessee (substitute and part-time):
Anthropology courses in Primate Studies, Human Paleontology, and African Prehistory

Training/Workshops Led:

- 2015 Forensic Anthropology Methods (including Human Bone Identification and Analysis)—for the FBI (Radford University, August 10-11)
- 2009-11 Mid-Atlantic/Mid-Appalachian Training on Innovations in Forensic Science—for Law Enforcement (through the Radford University Forensic Science Institute and National Institute of Justice grant) (five 2-day workshops)
- 2011 Forensic Anthropology and Archaeology Search, Recovery, and Analysis—for SARTI (Search and Rescue Tracking Institute)
- 2002-present Forensic Anthropology and Archaeology for Law Enforcement—for the Virginia Forensic Academy, Richmond (two day workshops offered twice per year)

Curriculum Development:

- 2014-2016 Developed the Undergraduate Bachelor of Science in Biomedical Forensic Science degree at RU
- 2013-2016 Developed the Master of Science in Biomedical Forensic Science degree at RU
- 2007-present Developed and supervised the interdisciplinary Forensic Science Minor at RU

- 2007-present Developed (and taught) courses to support the Forensic Science Minor, including:
FOSC 201 (Innovations in Forensic Science)
FOSC 401 (Advanced Forensic Science Research—Capstone)
- 2007-present Sponsored and oversaw development of additional courses to support the FS
Minor at RU and recruited faculty to teach them. These included:
BIO 383 (Molecular Forensic Biology)
CHEM 465 (Forensic Chemistry)
- 2007-2010 Developed the Forensic Anthropology Concentration in the RU Dept. of
Anthropological Sciences and the courses to support it, including:
ANSC/FOSC 210 (Intro to Forensic Anthropology)
ANSC/FOSC 211 (Intro to Forensic Archaeology)
ANSC/FOSC 420 (Advanced Forensic Anthropology)
- 2007 Co-Founded the RU Forensic Science Institute (RUFISI)
- 1990-2006 Developed courses in the RU Dept. of Sociology and Anthropology to support
Anthropology Major

Continuing Education:

- 2016 American Academy of Forensic Sciences Workshop: Improving Your Image:
How to Get the Best Out of Your Expensive X-Ray Equipment (Feb. 23) (3.5 CE
Hours)
- 2015 Georgetown University School of Medicine Human Gross Anatomy (Summer) (5
Credit Hours)
- 2015 Recertification (through July 1, 2018) for D-ABFA (Diplomate—American Board
of Forensic Anthropology, American Academy of Forensic Science)
- 2015 American Academy of Forensic Sciences Workshop: RADid: Using Radiologic
Technologies to Identify Unknown Decedents (Feb. 16) (3.25 CE Hours)
- 2014 American Academy of Forensic Sciences Workshop: Effective Curricular Design
and Improvement for Forensic Science Educational Programs (Feb. 18) (7.25 CE
Hours)
- 2013 American Academy of Forensic Sciences Workshop: Multidisciplinary
Approaches to Effective Communication and Report Writing (Feb. 18) (6.5 CE
Hours)
- 2012 Manchester University: “Analysis of Organismal Form” (Nov. 5 – December 14;
online)

- 2012 Recertification (through July 1, 2015) for D-ABFA (Diplomate—American Board of Forensic Anthropology, American Academy of Forensic Science)
- 2012 Syracuse University Dialogues in Forensic Science: “Use of Radiographic Images in Identification and Trauma Analysis;” (July 20-21, Syracuse University)
- 2012 IRB Faculty Training, RU Office of Sponsored Programs
- 2011 Workshops “Geometric Morphometry, Fordisc 3.1.”
American Academy of Forensic Sciences, Chicago (Feb. 21-22)
- 2010 “Cranial Juvenile Osteology: Osteology for Medical, Forensic, and Archaeological Purposes,” University of Dundee, Scotland, Centre for Anatomy and Human Identification (Aug. 2-6)
- 2010 “Postcranial Juvenile Osteology: Osteology for Medical, Forensic, and Archaeological Purposes,” University of Dundee, Scotland, Centre for Anatomy and Human Identification (Aug. 9-13)
- 2010 Syracuse University Dialogues in Forensic Science: Trauma I” (July 5-7, Syracuse University)
- 2007-present Completed all training modules required for U. S. NDMS DMORT membership
- 2005 Workshop “Fordisc 3.0: Method, Theory, Applications. Southeastern Regional Forensic Meeting, Chattanooga, (Sept. 4)

Honors/Awards/Recognition/Interviews:

- 2015 Interview by Dr. Joshua R. Elyer (Rice University) for a chapter in his book entitled: *How Human Beings Learn: A New Paradigm for Teaching in Higher Education* (University of Nebraska Press)
- 2015 Honorary Member; Virginia Forensic Academy (for Law Enforcement)
- 2013 MSNBC Interview: Skeletal Analysis of Historic Stonebridge Cemetery, Richmond
- 2013 RU “Center for the Sciences” Video Interview: Forensic Science at RU
- 2008 National Public Radio “With Good Reason” Interview: Forensic Archaeology in Guadalcanal
- 2006-2007 United States Professor of the Year--Council for the Advancement and Support of Education (CASE)/Carnegie Foundation for the Advancement of Education

- 2006 Radford University Commencement Speaker (Spring and Fall)
- 2006 State Council of Higher Education of Virginia Outstanding Faculty Award
- 2006 National Public Radio “With Good Reason” Interview

Laboratory Work/Research:

- 2013-present Research Project (with C. Boyd). Forensic Anthropology: Theoretical Framework and Scientific Basis (CC Boyd and DC Boyd). Wiley-Blackwell Book Publishing contract.
- 2013-present Research Project (with C. Boyd, S. Roller, D. Foley, RU). Forensic Digital Imaging: Creation of a National Archival Imaging Database for Evaluation of Healing Rates and Estimation of Time Since Injury of Pediatric Antemortem Skeletal Fractures in Child Abuse Investigations
- 2013-present Research Project (with C. Boyd): Defining the Early Perimortem Period: Microscopic and Macroscopic Changes in Subadult Remains Undergoing Pediatric Trauma (manuscript in preparation).
- 2013-present Research Project (with C. Boyd): Investigating genetic/familial relationships between individuals from two Late Prehistoric Native American sites using mitochondrial DNA (manuscript in preparation).
- 2013-present Research Project (with C. Boyd and W. Hylander): Microevolutionary Change in the Human Mandible (manuscript in preparation).
- 2012-13 Laboratory Supervisor, Radford University—Stonebridge Cemetery (Old Cloverleaf Mall), Richmond: analysis of human remains from a 19th century African-American Historic Cemetery (for CIRCA-CRM)
- 2012 Research Project (with C. Boyd, RUFISI, L. Hochstein, LSU)-- Microscopic and Macroscopic Changes to Perimortem Pediatric Trauma Following Burial.
- 2010 Research Project (with C. Boyd, RUFISI, L. Sliwa, University of Tennessee)—Differential Decomposition of Non-Traumatized, Blunt Force, and Sharp Force-Traumatized Buried Pig Carcasses.
- 2009-present Research Project (with C. Boyd, RUFISI, C. Urista, RU Dept. of Anthropological Sciences)—Skeletal Signatures of Slavery From Antebellum African-American Cemeteries in Virginia.
- 2008-2009 Laboratory Supervisor, Radford University—Lackey Cemetery, Rockbridge County, Virginia: analysis of human remains from a 19th century African-American Historic Cemetery (for Louis Berger and Associates)
- 2008-2009 Laboratory Supervisor, Radford University—Wrenn-Hutchison Cemetery, Fairfax County, Virginia: analysis of human remains from a 19th century

Anglo-American historic cemetery (for Louis Berger and Associates)

- 2007-present Co-Director, RU Forensic Science Institute (RUFESI) Laboratories
Founded the RUFESI Laboratories. Supervise and direct all human skeletal research projects (forensic, historic, and prehistoric) by students and faculty in the laboratories
- 2004-2006 Laboratory Supervisor, Radford University—Virginia Department of Historic Resources, Richmond analysis of the VDHR Prehistoric Human Skeletal Collection
- 2004 Laboratory Supervisor, Radford University—Washington County Cemetery, Maryland (18WA470): analysis of historic human remains from a Caucasian cemetery in Washington County, Maryland
- 2004 Laboratory Supervisor, Radford University—Department of Historic Resources, Richmond, Virginia: analysis of prehistoric human remains from the Virginia Military Institute collection
- 2003 Laboratory Research at the Virginia State Office of the Chief Medical Examiner, Western District, Roanoke, Virginia. Two week on-site inventorying, cataloguing, and analyzing all curated forensic skeletal cases in the office
- 2003 Laboratory Supervisor, Forensic Cases 2003-01, 02; State Office of the Chief Medical Examiner, Western District, Roanoke, Virginia: analysis of two forensic cases from Grayson and Roanoke Counties, Virginia
- 2002-03 Laboratory Supervisor, Radford University—Terre Haute Cemetery (44PO126): analysis of historic human skeletal remains from an African-American cemetery in Powhatan County, Virginia
- 2002 Laboratory Supervisor, Radford University—Gala Site (44BO48): analysis of prehistoric Native American human skeletal remains from a mortuary complex in Botetourt County, Virginia
- 2002 Laboratory Supervisor, Radford University—Fredericksburg Market Square (44SP204): analysis of historic Anglo-American skeletal remains from historic Fredericksburg, Spotsylvania County, Virginia
- 2001 Laboratory Supervisor, Radford University—Nansemond (44SK481): analysis of historic human skeletal remains from the Nansemond Ordinance Station, Suffolk County, Virginia
- 2000-01 Laboratory Supervisor, Radford University—West Family Cemetery (44AX183): analysis of 18th-century brick burial vault human remains from the West family cemetery, Alexandria, Virginia

- 2000-01 Laboratory Supervisor, Forensic Case 2000-06, State Office of the Chief Medical Examiner, Western District, Roanoke, Virginia: analysis of unidentified human remains from Bland County, Virginia
- 2000 Laboratory Supervisor, Forensic Cases 2000-01, 02, 03, 04, 05; State Office of the Chief Medical Examiner, Western District, Roanoke, Virginia: analysis of five unidentified forensic cases (Alleghany, Pittsylvania, Smyth, Franklin, Russell Counties)
- 1999 Laboratory Supervisor, Forensic Cases 1999-01, 02; State Office of the Chief Medical Examiner, Western District, Roanoke, Virginia: analysis of two unidentified forensic cases (Pittsylvania and Highland Counties)
- 1998-99 Laboratory Supervisor, Radford University: analysis of human skeletal remains from two historic African-American cemeteries (44CF568 and 44HE950) near Richmond, Virginia; also prehistoric human burials from 44SK11, Suffolk County, Virginia
