

Coursework Review Policies

At the time of PTCAS application submission:

- Total GPA (cumulative) must be ≥ 3.25
- Prerequisite GPA must be ≥ 3.0
- **3 or less** Prerequisite courses (12 total credits) may be outstanding
- All Prerequisite courses must have been completed within **10 years**

Repeated coursework:

- Applicants may only have **3** prerequisite courses repeated.
- The **most recent** grade achieved for a repeated course will be used in calculating your prerequisite GPA.
- In order for a repeated course grade to count towards the Prerequisite GPA, the lecture and lab must both be taken at the **same** institution.

Only course grades that have been verified via the PTCAS electronic transcript will be utilized.

We accept coursework from both 4 year institutions (accredited) and community colleges (accredited).

For assistance with calculating your specific Prerequisite GPA, please see Excel spreadsheet link on our website:
