The Information Technology Advisory Committee was called to order by Bill Abplanalp, Chair, at 2:30 pm on February 26, 2010. Bill asked for approval of the January 29, 2010 minutes. Monica Weinzapfel motioned to approve, Dave Falletta seconded, motion carried.

Ed Oakes discussed hosted email, Radford University students currently use Exchange. Ed will be attending the SGA Executive Committee meeting to discuss hosted email for students. Moving students email to a hosted environment would possibly give students larger mailboxes. Steve Helm requested that a subcommittee be formed to discuss hosted email for students. The subcommittee will include Ed Oakes, Steve Helm, Wendy Lowe, David Falletta, Bill Abplanalp, John Albano, and Twyner Jones.

John Albano reviewed the computer recommendations that were discussed at the last ITAC meeting.

Erin Cruise told the committee about some issues she has been having with technology in the classroom. John Albano responded to Erin's concerns and will be following up with her.

Randa McDonald presented a Banner update and announced that the project is on schedule and staying within budget.

Ed Oakes announced that a content management system for the new RU website had not been chosen yet, but hoped a decision would be made soon.

David Falletta motioned to adjourn, Steve Helm seconded.

Respectfully submitted,

Linda W. Kipps
