University Profile

Radford University is a coeducational, comprehensive public university with highly diverse curricula for undergraduates and selected graduate programs. Undergraduate majors include 112 program options in the Colleges of Arts and Sciences, Business and Economics, Education and Human Development, Health and Human Services, Information Science and Technology, and Visual and Performing Arts. The College of Graduate and Extended Education offers 45 programs of study at the master's and specialist levels. These programs provide advanced and specialized courses of study, supervised practicum experiences and opportunities for research. The university has an outstanding nationally recruited faculty, 82 percent of whom hold doctorates or other terminal degrees in their teaching fields. While their primary focus is on the teaching and learning process, the faculty are also engaged in significant scholarly, creative, and public service activities.

The Radford University Mission Statement

Radford University serves the Commonwealth and the nation through a wide range of academic, cultural, human service, and research programs. First and foremost, the University emphasizes teaching and learning and the process of learning in its commitment to the development of mature, responsible, well-educated citizens. RU develops students' creative and critical thinking skills, teaches students to analyze problems and implement solutions, helps students discover their leadership styles, and fosters their growth as leaders. Toward these ends, the university is student-focused and promotes a sense of caring and of meaningful interaction among all members of the university community. Research is viewed as a vital corollary to the teaching and learning transaction as it sustains and enhances the ability to teach effectively. Radford University believes in the dynamics of change and has a strong commitment to continuous review, evaluation, and improvement in the curriculum and all aspects of the university, so as to meet the changing needs of society.

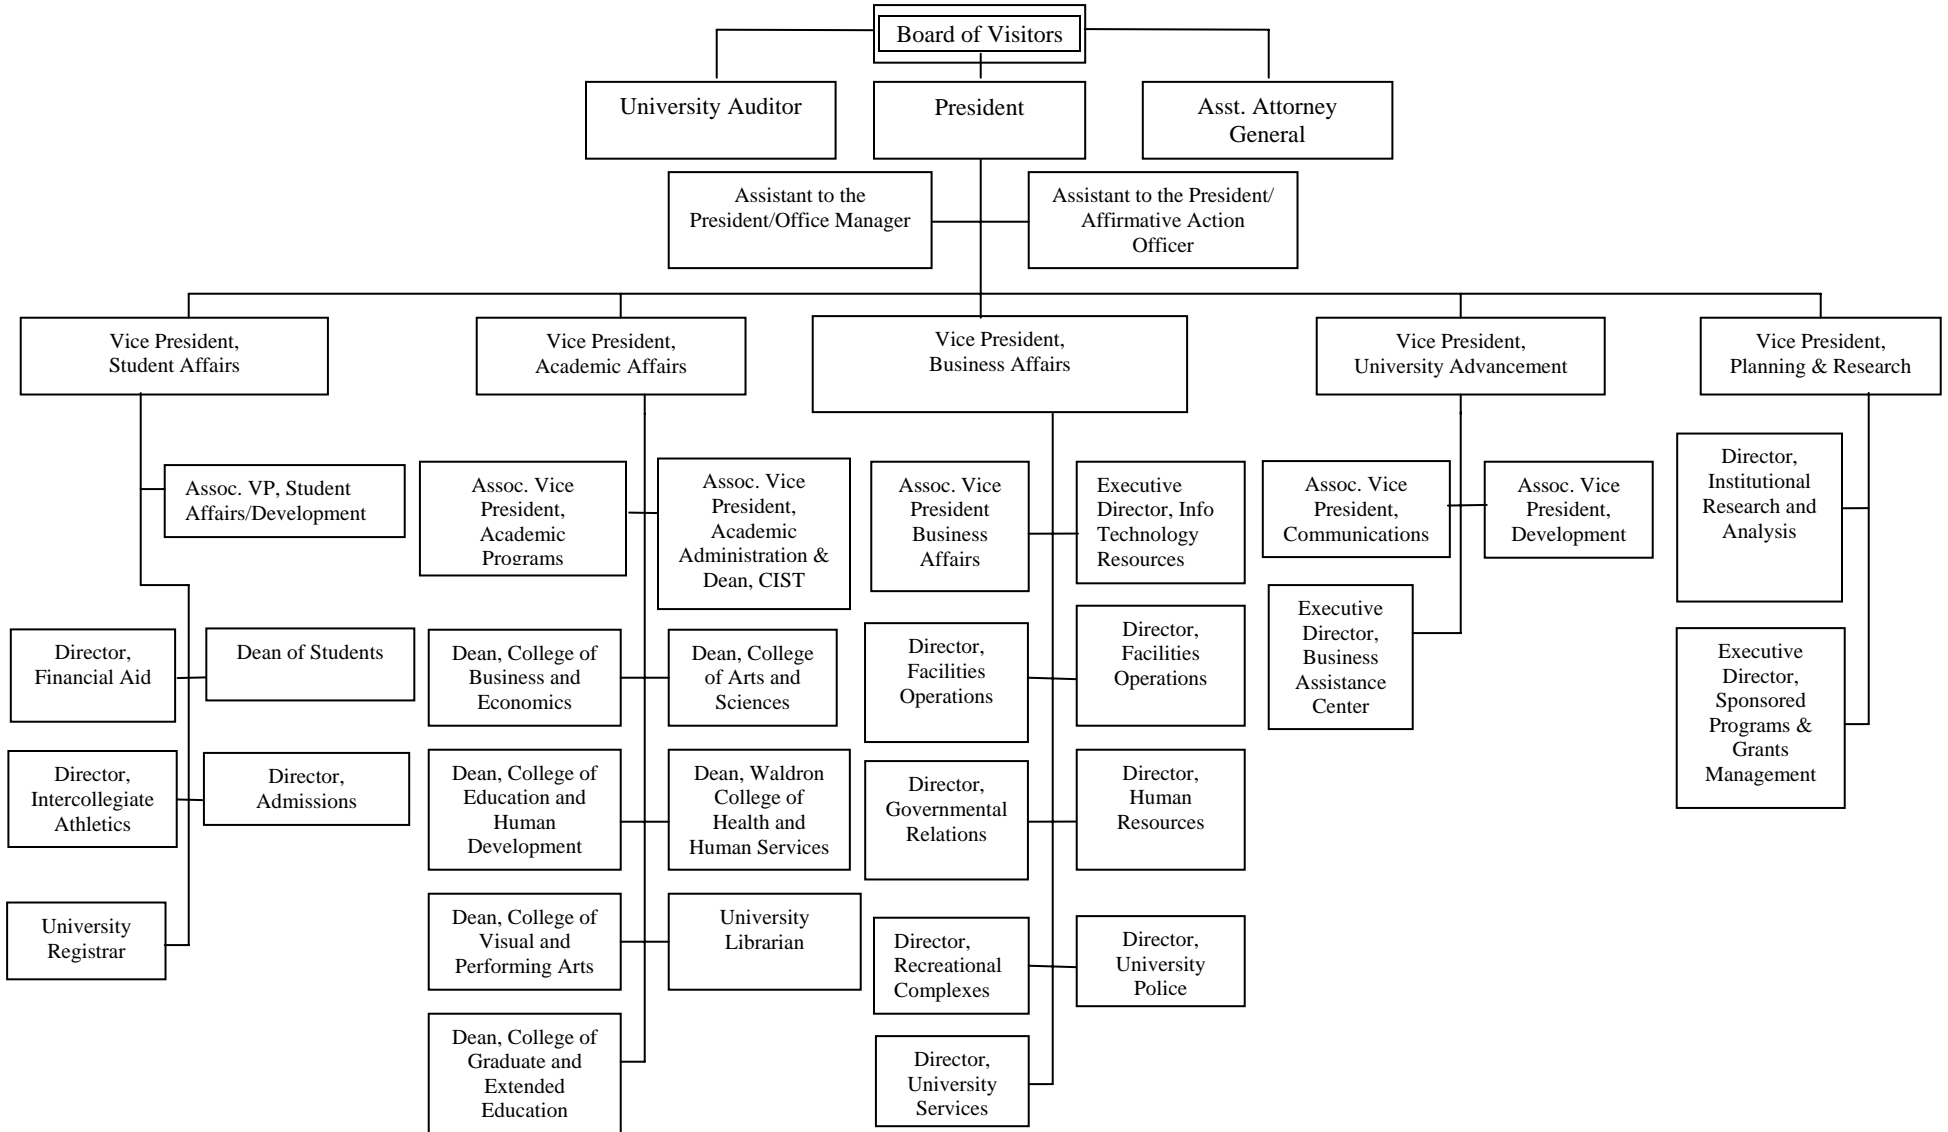

(Approved by the Board of Visitors, May 10, 1991; revised and approved by the Board of Visitors, May 7, 1999.)

University Presidents	Term

Dr. Donald Dedmon	1972-1995
Dr. Douglas Covington	1994-2005
Ms. Penelope W. Kyle	2005-Present

RU Campus Map

Senior Administrative Staff

Radford University Board of Visitors

Radford University is governed by a 13-member board that was created under Virginia state law. Eleven of the members are appointed by the Governor of the Commonwealth and serve four-year terms. Each year the Board also selects a student and a faculty member to serve as non voting advisory representatives on the Board.

The Board meets in regular session four times each year, generally in February, May, August and November; however, all times are subject to the discretion of the Board. The third meeting of each calendar year, generally to be held in August, is considered the first meeting of the year and is designated as the "annual meeting of the Board." Board meetings are held in the Board Room in Martin Hall.

RU Board Members for 2004-2005

Mary Ann Hovis, Rector	June 30, 2006	Class of '65
Elizabeth B. Davis, Vice Rector	June 30, 2005	Class of ' 73 & ' 76
Nancy H. Agee	June 30, 2007	
Thomas E. Fraim Jr.	June 30, 2008	Class of ' 87
Joseph E. Freeman III	June 30, 2005	Class of ' 87
Randal J. Kirk	June 30, 2007	Class of ' 76
R. Scott LaRose	June 30, 2006	Class of ' 91
Anthony U. Moore	June 30, 2005	
Stephen A. Musselwhite	June 30, 2008	
Mark R. Pace	June 30, 2008	Class of ' 93
Cora S. Salzberg	June 30, 2007	
Douglas C. Woolley	Faculty Representative	
Kenda DeLeon	Student Representative	

University Administration

President's Office

Dr. Douglas Covington, President
Ms. Doris Bratton, Administrative Assistant
Ms. Danielle S. Reid, Assistant to the President, Affirmative Action Officer
Ms. Cary S. Sutherland, Executive Assistant to the President

Technology Fact Book Information 2004-2005

Technology at RU – Radford University maintains a robust technology infrastructure to support the computing needs of students and faculty. RU is committed to the integration of technology into the learning environment. With the growth of mobile computing, Radford has built a strong wireless and mobile computer infrastructure to promote anytime anywhere learning. Over 65% of Radford University faculty have a mobile Tablet computer. 802.11g has been installed throughout campus and provides wireless network connectivity in all campus buildings.

Radford University provides the following technology services:

- Two DS-3 connections to the Internet.
- Internet2 connectivity through Network Virginia.
- Gigabit Ethernet connectivity between campus buildings.
- Over 350 802.11g access points providing wireless connectivity throughout campus.
- Residence Halls with two Ethernet connections and wireless access in every room.
- Dial-up modem connectivity with 138 modem lines
- VPN connectivity for secure connections from off campus
- E-mail, File Server Storage, and Web Hosting for all students and faculty
- The Highlander Connection web portal, providing a single place to access campus technology resources
- WebCT for web enhanced classes
- 21 Departmental and general use computer labs with over 500 workstations
- 98 Multimedia classrooms
- 3 local Video Classrooms for Distance Education and videoconferencing.
- 2 remote Video Classrooms
- Over 65% of RU faculty have a mobile tablet computer.
- A Microsoft Campus Agreement providing students with access to Microsoft Office and Microsoft Windows.

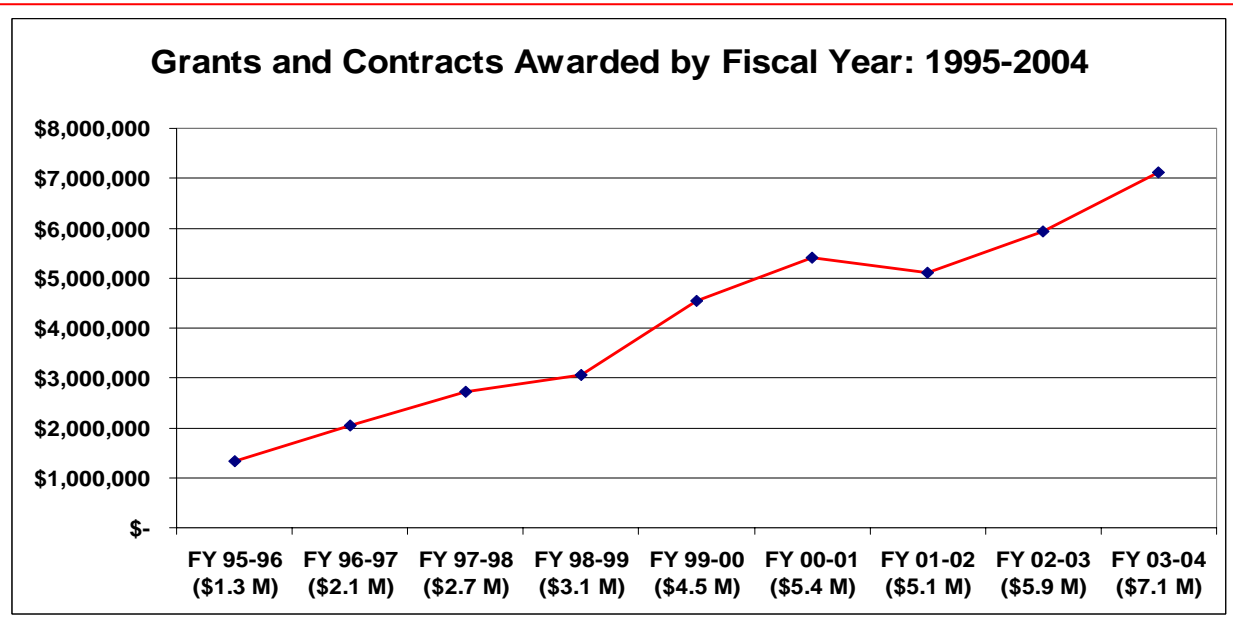

Gifts and Grants

Sponsored Programs and Grants Management

Radford University finished the 2004 fiscal year with the largest amount ever awarded in grants and contracts initiated and directed by faculty and staff. During the period July 2003 through June 2004, sponsored projects totaling \$7,113,204 in the form of 82 agreements and supplements were awarded. The increase depicted in the graph below shows:

- 20% increase over the amount awarded last year;
- 132% increase over that awarded five years before;
- Five times as much funding as in the 1996 fiscal year.

Impact of Sponsored Projects on Radford University and the Region’s Economy

External funds during the past year helped launch and/or sustain dozens of valuable projects and programs on campus (See the attached list of awards). More than \$100,000 in equipment was purchased this year for Radford University with grants and contracts. Sponsored projects also made it possible for faculty and staff members to attend numerous professional meetings, to secure consultants, to purchase laboratory and educational supplies, and to pay for publications.

Grants provided:

- \$566,764 in tuition payments for 249 graduate students and 88 undergraduates
- stipends or wages for 72 graduate students and 27 undergraduates
- 63 directors or coordinators hired;
- 19 counselors, nurses, or technical personnel were hired
- 24 administrative assistants
- 109 Youth Corps Conservation members and supervisors
- Academic year salaries for 22 faculty members were partially charged directly to grants.

TOTAL GRANTS & CONTRACTS AWARDED -- BY AGENCY,		July 2003-June 2004
Federal, including grants flowing through state or other agencies		\$4,999,985 (70.3%)

Academic Enrichment, Student Services and Organizations

Financial Aid Facts and Figures (Academic Year: 2004-05)*

- 70% of all RU students received some type of financial aid
- Average financial aid package: \$8,044
- \$52.6 M was distributed to 6,543 students
- \$45.2 M has been disbursed to 5,814 undergraduate students
- 32.4% of the \$45.2M was awarded as grant or scholarship money
- 4.2% of the \$45.2M was distributed as student employment
- 63.4% of the \$45.2 M was distributed as loans

* Note: These figures were accurate as of April 30, 2005 but may change slightly since the Academic year does not end until June 30, 2005.

Student Health Services

Radford University Student Health Services provides basic health care to students on an outpatient basis, Monday through Friday. All registered students are eligible for services. The student health centers is equipped to provide diagnosis and treatment for most of the common health problems encountered by students, as well as follow up care and referrals to a network of local specialists. RU Student Health Services:

- Has been accredited by the Accreditation Association of Ambulatory Health Care, Inc (AAAHC) since 1999
- Serves over 13,000 student visits annually
- * Medical Staff includes: 1 Physician of Record, 2 Nurse Practitioners, 1 Physicians Assistant, and 4 Licensed Practical Nurses

* All medical staff members are licensed by the state of Virginia and all providers are nationally certified

Student Counseling Services

Student Counseling Services is staffed by licensed mental health professionals who help students adjust to the stresses of college life, develop and sharpen the skills needed to sort through important decisions, and find ways to live life to the fullest. Student Counseling Services:

- Employs two full-time licensed mental health professionals
- Provided services for over 402 students during academic year 2003-2004.
- The top five reasons for students seeking services included depression, anxiety, specific relationship difficulties, family/parent concerns and reaction to loss/separation.

The Disability Resource Office

Radford University, is dedicated to providing equal educational opportunities for otherwise qualified students with documented disabilities. The Disability Resource Office (DRO) provides reasonable academic accommodations and services to facilitate the university’s goal of removing physical, attitudinal, and technological barriers which might infringe upon any individual to fully participate in the University experience. Accommodations are provided based on review of current documentation and a student interview. Accommodations shall not alter the technical standards of a program or the integrity of Radford University.

The types of disabilities accommodated include but are not limited to: Learning disabilities, Attention Deficit Disorder (ADD), vision, hearing, speech, psychiatric, physical, neurological, medical, and temporary. Sixty-five percent of the students served have ADHD, LD or a combination of both. The most common accommodations are: Extra time on tests, Quiet room for testing and Note taker.

Year	Number of Students Served

2000	279
2001	340
2002	329
2003	354
2004	361

Student Support Services

Student Support Services is a grant-funded program operating under the umbrella of the Federal TRIO programs and financially supported by the United States Department of Education or DOE. SSS was designed to assist RU students who are considered at-risk to attain a baccalaureate degree. DOE defines the at-risk population as students who are first generation, low income, and have a documented disability.

Student Support Services is independently funded by the U.S. Department of Education at a level of \$270,193 and accommodates 150 students. Participation is limited and dictated by grant specifications. Over the past five years, the SSS has served over 735 students.

Experiential Learning and Career Development

With a strong commitment to our current students and alumni in mind the Radford University Experiential Learning and Career Development Center launched its Virtual Career Management Database in 2003. This database allows current Radford University students and alumni to post resumes as well as search for jobs/internships. The database allows businesses to post available positions and accept resumes through the Experiential Learning and Career Development Center.

Multicultural and International Student Services

The purpose of the office of multicultural and international student services is to develop cultural awareness, understanding, and a sense of belonging among Radford University Students. The office provides academic and social support systems for students from various backgrounds and lifestyles. The Black Student Affairs Council (BSAC) and International Student Affairs Council (ISAC) of the Student Government Association (SGA) are administratively advised by the Director and Assistant Director.

Seventy-eight students from 43 different countries attended RU during the 2003-2004 academic year.

The Honors Academy

The Honors Academy is a Center for Excellence at Radford University that serves as a focus for student-faculty collaborative scholarship. Honors courses are all General Education courses taught by faculty in a highly interactive and engaging environment. Honors Sections are limited to 20-25 students, and may involve field trips, and special in-class activities well suited to a highly interactive environment. The Honors Academy also sponsors 'wireless' sections of some of its courses in which the professor designs the course with the knowledge that each student will attend class with a wireless laptop or table computer. Faculty in these sections have integrated, online test submission and grading, visits to internet sites, WebCT, Breeze Live and other applications into their classroom teaching.

Each Spring The Honors Academy also hosts the Annual Undergraduate/Graduate Student Engagement Forum. Demonstrating that student/faculty collaborative scholarship is becoming a hallmark of a Radford University education, 258 students, mentored by over 60 faculty made 175 presentations and performances. Only four and three years ago there were 73 and 117 presentations, respectively. Thirty graduating Highlander Scholars who are required to present the

results of their Honors Capstone Projects were among the participants. Presentations included original dance performances, improvisational theater performances, independent study projects, and undergraduate laboratory research carried out by students as a result of their work with faculty. During the final evening of the Forum recipients of the Faculty/Student Collaborative Grants Program presented the results of their work together. Another feature of the Forum was the organization of special topics symposia in Sociology, Forensic Anthropology, Chemistry, and Criminal Justice as well as a mock appellate court. Another 5 Highlander Scholars will graduate in December, 2005.

The Honors Academy also hosts an annual banquet to honor Graduating Highlander Scholars and recognize new Highlander Scholars. In contrast to 5 and 2 graduates only 6 and 5 years ago, respectively, 30 candidates for Spring Graduation invited their parents and faculty capstone mentors for an early evening meal and celebration. Faculty mentors had prepared short statements about their student collaborators which were read aloud as the students were called to the podium to receive their gold stoles signifying status as a graduating Highlander Scholar. The Honors Academy itself continues to grow as the total number of Highlander scholars presently sits at approximately 350. Each Fall semester we take in approximately 120 new freshman participants with another 60 joining the Academy at the end of Fall semester. It is anticipated that within the next 2 or 3 years that we will graduate approximately 50 Highlander Scholars per year.

Student Government Association

The SGA is the highly organized and active legislative and service organization with approximately 100 student leadership positions. The SGA is comprised of eight councils and committees. The SGA is also responsible for electing and appointing approximately 200 students to positions on internal governance committees and councils. The Dean of Students office staff advises the SGA Executive Counsel, Senate, Cabinet, Staff, and Off-Campus Student Counsel as well as overseeing and advising services for various other SGA councils and committees.

Radford University Athletics

The Radford University athletic program offers 19 varsity sports, eight for men and 11 for women. Greig Denny is the athletic director at Radford University. He was named to the post in 1996, succeeding Dr. Chuck Taylor, who served as AD from the inception of the program in 1974 until stepping down in February of 1996.

The athletic program has grown dramatically since 1974-75, when men's sports were first offered on a varsity level. Men's basketball and tennis joined women's tennis, basketball and volleyball to form the heart of the Highlanders' growing athletic program in 1974-75. A year later, in 1975-76, the first men's soccer team was organized.

Since that period, growth has been rapid, but not random. Each step has been carefully controlled, with new sports being added only to meet existing demands and only after assurances for a quality operation could be met. The result is a well-balanced and highly successful program.

Radford currently offers men's and women's basketball, cross country, golf, soccer, tennis, indoor and outdoor track, along with field hockey, swimming, softball and volleyball for women, and baseball for men.

Radford joined the *Big South Conference* in 1984 and has been a prominent figure in the young league.

Radford University Athletic Participation by Sport			
Sport	Male	Female	Total
Baseball	30	0	30
Basketball	14	14	28
